How do we do it?

It is important to know whom you are dealing with when you trust your cargo to us. So read on: this is Dara Logistics, this is how we think, and this is how we move.

In addition to its core business of overland transport, air & sea freight and logistics, the company also operates a number of highly specialized industry solutions and subsidiaries under the umbrella of Dara Logistics Holding AG, based in Lauterach (Vorarlberg, Austria). This includes logistics consultancy x|vise, tetraxx (industry specialist for hi-tech businesses), dicall (telephone service, consulting and telemarketing), Railcargo (railway transport) and the Dara Logistics parcel service GWP, a shareholder in the Austrian company DPD. This bundling of services allows us to respond to customer needs quickly and flexibly.

Having implemented a variety of ecological, economic and social initiatives, the family-owned company, which has a history going back 500 years, is considered a pioneer in terms of sustainable business today.
